the 2011  
**reid**  
family christmas  
spectacular

- 1 - Clarence Clemons - The Christmas Song**  
Originally recorded back in 1981 but finally released this year. R.I.P., Big Man.
- 2 - Matthew Ryan & the Christmas Toddies - It's Christmas Time**
- 3 - Trailer Trash - I've Shopped Everywhere**  
From the Twin Cities finest honkytonkers brand new Xmas album (their THIRD!), "Nutcrackers".
- 4 - The Pointed Sticks - Power Pop Santa**
- 5 - Parry Gripp - Because It's Christmastime**  
You won't get through an episode of Mud Puddle Radio with Li'l Miss Britt at the controls without hearing at least a couple of Parry Gripp's patented hamster songs.
- 6 - Los Straitjackets - Deck The Halls**  
"Yuletide Beat" is the second seasonal offering from these masked surf-rockers.
- 7 - Shonen Knife - Space Christmas**  
The gals have a new Christmas record out this year, but this one is from 1991.
- 8 - Emmy the Great & Tim Wheeler - Jesus the Reindeer**  
Britt says this one is "inappropriate" but it's the one she's always singing in the back seat.
- 9 - Chubby Checker & Bobby Rydell - Jingle Bell Imitations**  
This dates back to our cassette years but here's a nice, new shiny digital version from the newly issued "Cameo Parkway Holiday Hits" collection. From 1961.
- 10 - George Jones - My Mom & Santa Claus**  
George only made two Christmas songs back in the day. There's an alternate version of this one with "dancing" replacing "twisting", but it's Christmas - ya gotta twist! From 1968.
- 11 - The Yule Logs - Christmas Is Lonely (When You're a Jew)**  
The greatest all-Christmas outfit from So Cal! From their self titled debut.
- 12 - El Vez - Christmas Wish**  
Wasn't "Sleepwalk" originally recorded by Santa & Johnny?
- 13 - The Bird & The Bee - A Christmas Compromise**
- 14 - Frank Turner - Last Christmas**  
He covered Queen at the WECC this year. I suppose we shouldn't be surprised by Wham.
- 15 - Nancy Sinatra - It's Such a Lonely Time of Year**  
From the 1968 album "The Sinatra Family Wish You a Merry Christmas."
- 16 - Reckless Kelly - Miserable Christmas**  
Fan club-only release. I think...
- 17 - ALO (Animal Liberation Orchestra) - Let It Ride**
- 18 - Lyle Lovett - The Girl With The Holiday Smile**  
On Lyle's "Songs 4 The Season" EP and on a new album, "Release Me" out early next year.
- 19 - Ain't No Chimneys in the Projects - Sharon Jones & the DAP-Kings**
- 20 - Boxer the Horse - Material Xmas**  
The next big thing from Charlottetown, Prince Edward Island.
- 21 - The Yule Logs - Bad Boy Christmas**  
We love this exclusively-Xmas band so much, here's another from their brand new album, "You Ruined Christmas!"
- 22 - R.E.M. - Christmas (Baby Please Come Home)**  
As we eagerly and tearfully await the last ever R.E.M. holiday package, here's last years offering featuring the return of original drummer Bill Berry.
- 23 - R.E.M. - Deck The Halls**  
From the 1988 promo "Winter Warnerland."
- 24 - Tom Waits - New Year's Eve**
- 25 - Diamond Rugs - Christmas in a Chinese Restaurant**  
The world's newest super-group, with Deer Tick's John McCauley and Los Lobos' Steve Berlin.
- BONUS TRACK - Shonen Knife - Christmas Message**  
A truly inspired concept - a cover of the Beatles' 1963 Fan Club Christmas flexi disc.
