THE JIM JONES REVUE 2013 · BRUCE SPRINGSTEEN

- 1 - **Frank Turner & Jon Snodgrass - Happy New Year**
Frank and his buddy from Drag The River reprise their little-known "Buddies" combo on this groovy little bit from 2012.
- 2 - **The Jim Jones Revue - White Christmas**
If you're looking for some loud, '50's derived garage rock, look no further than this UK outfit's 2013 album "The Savage Heart". This is a rollicking little Youtube message from the band.
- 3 - **The Sweetback Sisters - It's Beginning to Look a Lot Like Christmas**
Still the best all-around Xmas album in recent memory.
- 4 - **Barney Bentall - Christmas Greeting**
Barney and his Grand Cariboo Opry made their second visit to the TwangTrust this past November. The gig made it to #4 on our Best Gigs of 2013 list. Check it out at www.twangtrust.ca/best.html
- 5 - **Mojo Gurus - Santa Won't You Bring Me a Beer**
- 6 - **Tom Russell - Streetlights and Snow**
Tom's gift to us this year: an unreleased yuletide number from 1997.
- 7 - **Skydiggers - Church Bells Ringing**
This song, from their brand new "Angels" EP, was originally recorded by Toronto's Greivous Angels, co-written with Andrew Cash.
- 8 - **Joseph Arthur & the Lonely Astronauts - Little Drummer Boy**
Joseph's "The Ballad of Boogie Christ" is #2 on our Best Albums of 2013 list.
- 9 - **Johnny Cash - Holiday Message**
- 10 - **Terry Allen - X-mas on the Isthmus**
From the deliciously blasphemous 1999 album "Salivation". You might know Terry as the author of The Flatlanders showstopper "Gimme a Ride to Heaven".
- 11 - **Nick Lowe - A Dollar Short of Happy**
Best New Xmas Album of the Year award easily goes to Nick's "Quality Street".
- 12 - **Lindi Ortega - Christmas Carol**
Ah, from the StuDome to the Symphony. Here's one from Lindi's "Tennessee Christmas" EP.
- 13 - **Carolyn Wonderland & Guy Forsyth - Christmas in Prison**
I'd never heard of them before, but Guy's name just turned up on the 2014 Winnipeg Folk Festival performers roster. Looks like a bright start to that event.
- 14 - **Elizabeth Mitchell featuring Amy Helm - Last Month of the Year**
Levon's daughter belts out this old spiritual on children's music superstar Elizabeth Mitchell's new Xmas album, "The Sounding Joy".
- 15 - **The Rolling Stones - Winter**
I can't believe it took this long for this Stones classic to make it to our Xmas comp. From '73's "Goats Head Soup".
- 16 - **The Yule Logs - Merry Christmas (I Don't Wanna Fight Tonight)**
A chestnut from the world's coolest all-Christmas band's 2009 debut album.
- 17 - **Deer Tick - Father Christmas**
The Kinks' classic performed, though not broadcast, on the Conan O'Brien Show this year.
- 18 - **Uncle Si - Rudolph the Red Nosed Redneck**
Brittany's new hero. Yes, I'm scared.
- 19 - **David Wilcox - The Rudy Rap**
The U.S. folkie, not the Canadian blues guy. From 2013's "A Very Blue Rock Christmas".
- 20 - **Lemmy Kilmister - Run Rudolph Run**
No one does Christmas quite like Motorhead's Lemmy.
- 21 - **Kimberley Rew - All I Want is You for Christmas**
You know 'im and love 'im as Katrina & the Waves guitarist/songwriter (yeah, yeah, yeah... The Soft Boys too...). Here's a little ditty from his latest album, "Strawberry Fair", from 2011.
- 22 - **Jim Bryson featuring Jeremy Fisher - Snoopy & the Red Baron**
It's about time someone covered this one! Jim did it last year on his "Instant Holiday Album".
- 23 - **Rusty and Savanna - Under the Mistletoe**
The Imaginary Cities guru and honorary 5th Weakerthan put out a Christmas album this year with his Missus. This is the album's lone original tune.
- 24 - **Bruce Springsteen - Blue Christmas**
Will 2014 finally see Bruce come to Winnipeg? Keep your fingers crossed, kids. Here's a little something with love from Asbury Park, NJ.
