- 1 - JOEY RAMONE - Christmas Greeting**
We still miss Joey.
- 2 - KEVN KINNEY - The Christmas Song**
This is the 2nd time Drivin' n Cryin's frontman has recorded this chestnut. This 2019 version is swell.
- 3 - EL VEZ - Feliz Navidad (Public Image)**
"Merry Mex-Mas" has long been a favourite yule album but I just this year found an actual hard copy!
- 4 - THE MAVERICKS - Santa Does**
No weak cuts on last year's "Hey Merry Christmas!" album from The Mavs.
- 5 - JD McPHERSON - Hey Skinny Santa!**
We managed to get a date with JD at the W.E.C.C. this year. Great show, but not enough Xmas content.
- 6 - HUEY 'PIANO' SMITH & THE CLOWNS - Silent Night**
From the first and still possibly best rock'n'roll Christmas album ever!
- 7 - MADONNA - Don't Drive Drunk!**
- 8 - HISS GOLDEN MESSENGER & LUCINDA WILLIAMS - Christmas in Prison**
- 9 - HOMER & JETHRO - Santa Claus, The Original Hippie**
- 10 - LENNY DEE - Mister Santa**
- 11 - JOHNNY PRESTON - I Want a Rock'n'Roll Guitar**
Thanks to Jolly George West for heppin' us to this one.
- 12 - SOUTH PARK - Ultravibe Pleasure 2000**
- 13 - SLIM JIM PHANTOM & JENNIE VEE - Have a Rockabilly Christmas**
Even better than this year's Stray Cats reunion!
- 14 - LINDA GAIL LEWIS - Whoever Thinks About Santa**
Jerry Lee Lewis' li'l sister. She put out a great duet album last year with Robbie Fulks.
- 15 - THE HOLLY TWINS w/ EDDIE COCHRAN - I Want Elvis for Christmas**
From 1956.
- 16 - DANNY B. HARVEY & ANNIE MARIE LEWIS - Christmas Guitar Boogie**
Danny was the guitarist in Lemmy's rockabilly trio, The Head Cat. Annie is Jerry Lee's niece. Crazy!
- 17 - TELEKINISIS - Christmas Time Is Here (Uh Oh)**
This cut, as well as tracks 8, 19 & 22, are from a swell, brand new Merge Records comp called "You Wish".
- 18 - DAVID BOWIE - Christmas Greeting**
- 19 - ERIC BACHMANN - I Was Made For Losing You**
Nice to have a 2-time StuDome performer on the disc this year! Still pinching myself over those shows.
- 20 - LUCIUS - Christmas Time Is Here**
It seems to be impossible to record a bad version of this song, but this is one of our faves.
- 21 - THE REGRETTES w/ DYLAN MINNETTE - Holiday-ish**
"13 Reasons Why"'s Dylan is also head Regrette Lydia's main squeeze these days. A gorgeous seasonal RSD single (not their first!) from our favourite teen punks.
- 22 - TRACYANNE & DANNY - Santa, Don't Say No**
- 23 - ELLE KING & RONNIE SPECTOR - Under the Mistletoe!**
Extra gifts for whoever came up with this pairing!
- 24 - LUCY DACUS - Last Christmas**
Her new "2019" EP features songs recorded for special holidays like Christmas and Bruce Springsteen's Birthday.
- 25 - KATHLEEN EDWARDS - It's Christmastime (Let's Just Survive)**
What a tease for next year's comeback album! Best new Xmas song of the year!
- 26 - FRED SCHNEIDER & THE SUPERIONS - Christmas Tears**
From the B-52's frontman's 2010 album, " Destination... Christmas!".
- 27 - R.E.M. - Christmas Gripping**
I miss R.E.M. most around Christmas time. Fan Club singles rule.
- 28 - THE CAVEDOGS - 3 Wise Men & a Baby (Xmas Song)**
Brilliant little seasonal audio collage from the classic 1991 compilation "Yuletunes".
- 29 - JOHNATHAN RICE & COURTNEY MARIE ANDREWS - We Won't Be Lonely This Christmas**
This duo recorded this late last year and played our Folk Fest this past summer. Beautiful and heart-breaking.
- 30 - WUSSY - Las Vegas**
Not *really* a Christmas song, but still kinda. Got to hear it live back in November in Minneapolis. What a trip!
